Resident in Mysore.

Sir,

Adverting to previous correspondence ending with this office No 697 of 24th October last, regarding the land required for the Railway Police huts to be built at the Bangalore City Railway Station, I am desired to forward herewith a plan showing the land which the Durbar are prepared to make over for the purpose. In the plan the surroundings are also shown.

2. The land in question was selected by a Committee composed of the marginally noted Officers, and is in the opinion of

Major Jones, Military Assistant
Mr Menerson, D.C. Supdt of Ry. Police.
Mr K. P. Puttanna Chetty, Dy. Comrs Bangalore D.C.

of

of the Dunbar, & & the land required for the purpose as it affords many facilities.

3. In the South eastern corner of the ground there is an existing building belonging to the Dunbar and formerly used as a Hospital. It is in good order, and can readily be utilized as quarters for a sergeant or as an Armoury for the proposed Railway Police hereafter. But as the Memorialists appear disinclined to take it into consideration, the Dunbar will retain it with sufficient land as for the boundary line marked A.B.C on the plan.

4. I am to request that arrangements may be made for taking possession of the land in question by the Railway or Police authorities from the Deputy Commissioner of Bangalore who has been instructed to hand over the same upon requisition from either of the above named authorities. I am further to request
